- IV. Different ideas were discussed concerning suggestions for events. It consisted of the following:
 - Kevin Thompson: would like to get the Senior Gleaners active once again. He also mentioned having movie nights on the large screen for families in the South Oroville community.
 - Francine Mendenhall: mentioned about a food truck event that the former tenant Boys & Girls Club used to have & asked how we could implement a similar event.
 - Jason McClure: talked about offering grants to the kids of our community, particularly those from South Oroville & suggested Junior High (Central) students. He also suggested having an annual BBQ cook off and to use the kitchen on a continuous basis for a commissary use. His last suggestion included a competitive video game night (Xbox and/or Ps4) in the Multipurpose Room for children of various age groups using the large screen.

- Mary Redding: mentioned about having children from the community who are in junior high/high school to write a letter or an essay on either patriotism or something concerning what they envision for the community in the future & to offer a \$500 scholarship as well as an opportunity to read the essay at an event that we would put together. She also suggested having annual Community Yard Sales where we could have a hotdog / chili dog concession. Concerning the movie night idea Mary suggested that instead of charging admission we would ask each family to bring in can foods or a toy (if doing around the holidays) to distribute to the community for those in need.
